### VI. Executive Cabinet Reports

#### a. Speaker of the Senate-

-Housekeeping: Starting off report with any housekeeping issues.

-Title 9: Did anyone do their research for what Title 9 is?

-Task lists: Every SGA leader is writing down what their strengths and weaknesses are on paper

-Enneagrams: Everyone wrote down their top three types on paper.

-Halloween Decorating of GSU: The first week of Oct, we will start decorating GSU starting in AA lobby. The materials will be ordered through Amazon, such as spider webs, graveyard, candy, etc. On the Google Doc, there's a task list.

Trick or Treat GSU | Haunted Guided Tours: Will take place the second week of Oct. Students will be on a guided tour, so they get to know the services that are provided. Flyers will be put up for dressing up.

POI: (Margaux) We could decorate the lounge as well.

-AA Lounge | Housekeeping concerns: We need to execute action to keep lounge area clean because students are spilling drinks and playing their music too loud. Closing it down for a week will stop students from acting like children.

POI:(Macky) We should try to keep the lounge area because it's only a set of students that cause the trouble. We just need to let those select students know that they should be respecting the lounge area. Whatever is done now will be a precedent for the future

POI: (Ernest)We need to take the lounge area away for it to be a wakeup call. There's a fine line between students who can make that call and those who don't, they all need to be respectful of the lounge. We can take the lounge area away for two or three days.

POI: (Wasi) We can't keep calling them children because they are of age. We should have a notice on the doors so students are aware that the lounge area will be closed if they keep destroying the lounge area.

POI: (Margaux) There are signs up in the lounge area that if you are seen vaping, it will go on your academic record. We could suspend students so that not everyone is penalized.

POI:(Chase) It will be more work for us if we had to assign people to check that the students who are banned

- SGA & student group chat: The SGA GroupMe will be open to students so they can ask any questions or inform us about any concerns they're having and/or any wants. This will be beneficial to us because we can take polls within the app as well as remind them of events in addition to Remind101. There will also be flyers around campus with a QR code to join the GroupMe.
- Social Media: Social media is finally available to us; we'll be posting pictures of events and projects SGA is working on. The QR codes can be added to the student group chat flyer.
- 8% save signs: The signs will be made bigger to make students aware that they get a discount on drinks if they use their PantherCard cash. That machine will be moved to AA building and the ATM will be moved to AB building. Signs will be put up to make students aware of the change.
