**-Expectations:** We are all students with other commitments; write out what you contribute to SGA. SGA should work together like a family and be supportive to one another. We, as student leaders, should be listening to what the students want/need and act as needed. People will be held accountable for what they should be doing.

**-Title 9:** We need to be knowledgeable of what Title 9 is and how to approach or report any situation that has to deal with Title 9.

**-Cafe/ Food Options Updates:** We don't have any food options on campus. Fooda isn't working out because they are not meeting the quota of plates sold per day.

**-Meditation Room Updates:** Meeting will be happening next Wednesday; everyone is more than welcome to come, from 9:45am-11:30am. We want a mental health room/meditation room. Name of room could be the Surrender room.

**POI:** Disagreement for the name; try keeping Panther in the name. Think about where panthers live in. Make sure to not call it a prayer space. Some people may use that space for meditation and prayer. We need to have structure and make sure we think of all rules, so we don't have to go back to it.

**-Halloween Party/ Decorations Updates:** The party may not be the best idea since student wouldn't really come during Halloween. We could guide students about what they have available on campus while dressing up.
