Atlanta Campus

Alpharetta Campus:
- Discount cards to get students to try local food options.
- Participated in the org fair on campus.
- Fooda: We’ve had Fooda for the past few weeks trying it out again at the beginning of the year instead of at the end. A meeting has been arranged with Fooda on what food products we prefer.
- Wi-fi: Our wi-fi on campus is not consistent and kicks students off or doesn’t let them sign in. I was told it has to do with something called Bandwidth. I was wondering if anyone had any advice or tips to help resolve this problem? Advisor Beckwith suggested using the SGA Resource Directory to contact II&T.
- Happy Hour: We had an event called Happy Hour that offered King Pops and the opportunity to make GSU pillows while providing the chance to meet the SGA staff along with PAC staff. We had our biggest turn out in the past year with 190 in attendance.

Clarkston
- Flower Initiative: Looking into new feminine hygiene products that will be healthier and eco-friendly.

Decatur:
- Created survey to determine campus needs ant to help direct Decatur SGA policy.
  - 117 responses
